

A NEW PUPPY

In a cozy house, a puppy came,
Bringing joy and a playful flame.
With fluffy fur and a happy grin,
Their adventure together would begin.

They learn and play with lots of fun,
Underneath the shining sun.
With patience, love, and gentle care,
Their friendship grows beyond compare.

Through every bark and
every leap,
Their bond grows strong,
oh so deep.

For in their puppy's
happy face,
They find a friend in
every place.
